

CALL FOR APPLICATIONS
for the graduate/master's programme in English
DISCRETE MATHEMATICS AND ITS APPLICATIONS
for the academic year 2023/2024

(for the acquisition of the academic title Master of Science in Mathematics)

Study programme

Discrete Mathematics and its Applications is a 2-year graduate/master's degree university programme. The maximum number of students admitted in the academic year 2023/2024 is 10 and all admitted students have to pay the tuition fees of 4000 EUR per year. The academic year starts in October 2023 and admission is only possible for the winter semester. Tuition fees can either be paid in full at enrolment or in two instalments of 2000 EUR, the first at enrolment, the second by 31 December 2023.

Applicants who hold a Bachelor's degree in Mathematics or equivalent are eligible to apply.

Applications

Applications should be delivered in person, sent by e-mail to math@math.uniri.hr or by post to the following address: Faculty of Mathematics, University of Rijeka, Radmile Matejčić 2, 51000 Rijeka, Croatia. Applications must be submitted by midnight on 9th June 2023. Incomplete and late applications will not be considered. All applicants will be informed of the results of their applications no later than 24th June 2023. The results will also be published on the official website of the Faculty <https://www.math.uniri.hr/en/dma.html>. The deadline for appeals is 72 hours after the announcement of the results.

If there are still places available after the summer application cycle, applications for the autumn cycle must be submitted in person or by email by midnight on 1st September 2023. Incomplete and late applications will not be considered. All applicants will be informed of the results of their applications no later than 5th September 2023. The results will also be published on the official website of the Faculty <https://www.math.uniri.hr/en/dma.html>. The deadline for appeals is 72 hours after the announcement of the results.

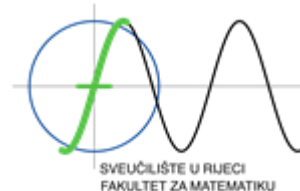

The call for applications in the English language, the detailed application requirements, the number of places available, the application procedure, the list of documents and the enrolment information are published on the website <https://www.math.uniri.hr/en/dma.html> and form an integral part of this call for applications.

(Students from countries outside the European Union should contact their local Croatian Embassy as soon as possible to find out whether they need a visa to enter and study in the Republic of Croatia.)
